WHEREAS, a municipality is best suited to plan for and understand their community's needs, the existing infrastructure to address the municipality's public safety, health, traffic, and character and the ability to expand such infrastructure for desired growth; and

WHEREAS, there are many mechanisms for exceptions and variances to the local planning process; and

WHEREAS, municipalities have been diligently working to comply with the changes outlined in the passage of A-4/S-50 in 2024 that made substantial changes to the 4th Round of Affordable Housing obligations; and

WHEREAS, affordable housing construction has generally comprised between 10 - 20 % of a total development, but municipalities will end up constructing far more units during this current round of affordable housing; and

WHEREAS, recent legislative proposals that preempt the planning process by permitting the conversion of underutilized properties into mixed used developments, reducing the number of parking spaces required for new developments near transit, making Accessory Dwelling Units permissible, and most recently, legislation that enhances the ability of religious and nonprofit organizations to convert certain property to inclusionary developments with affordable housing undermine the careful planning process outlined in the Municipal Land Use Law; and

WHEREAS, this proposal, S-4736 is particularly egregious because the required percentage of affordable housing units is only 20% with the remaining 80% at market rate making it more challenging for municipalities to meet their 4th Round Affordable Housing obligations; and

WHEREAS, this legislation bypasses local planning for increased density and height, regardless of a municipality's ability to ensure safety; and

WHEREAS, a worthy project could, and should participate in the local planning and zoning process to engage with the public; and

WHEREAS, S-4736 permits the bypassing of the local planning process which is an egregious assault on municipal autonomy and local decision making.

NOW, THEREFORE, BE IT RESOLVED by the Township of Franklin urges the legislature to defeat S-4736 and similar legislation that denies local autonomy in land use planning and ignores the well thought out master plan; and

BE IT FURTHER RESOLVED, that a copy of this resolution is forwarded to the Senator Paul Moriarty, Assemblymember Daniel Hutchinson, Assemblymember Cody Miller, Governor Mikie Sherrill, and the New Jersey State League of Municipalities.
