The administrator for the current page is a previous township administrator township email. An email received from Facebook that the account pf the previous administrator would be suspender on January 23, 2025.

We will launch our new Facebook page on January 23, 2025. The new page has 3 administrators. Since the new page is tied to community access email with 2 additional administrators, we should be ok moving forward.

With the new page we have the ability to pull 28-day stats which will be added to the monthly report.

With the donated Flipbook account, we have the ability e have an unlimited number of to a flipbook format and post on various social medias.

Bill asked about Civic Plus, what would it cost if we had Township Solicitor Matt Lyons do Option 2 auto eye for compliance? Can we have Matt Look over to make sure we are

compliant, and this will save us money. Bill will send supporting documents to Matt to get approval.

Bill advised that the civic-plus dashboard now available will be incorporated into the monthly report and the annual report,

Bill handed out a draft of the annual report.

Sara advise that we will get a free redesigned on the web page in 2026 and we should start planning now.

Sara posted on the current Facebook page informing viewers to sign up to be notified moving forward ,want information.

Bill questioned Sara if there were any other items. Sara asked about Annual report, do we want to put the redesign into the report.

Sara mention about possible of taking on line payment for construction permits. Currently we can't due to state law.

Bill raided the issued of posting legal notices on the township web page. The state is looking into changing the current law and we want to be ready if/when a change is passed. The Township has made the Sentinel the paper for Legal notices.

Bill questioned; When we post an ordinance or resolution, can it be displayed the date/time we posted. We need to ask civic-plus. If the answer is yes this could be our module. Will there be a module for legal notices? Sara will ask.

Sara will create a page for legal notices and do a document module for legal notices. Bill stated If there is a way for us to see on the other side if when this was posted would be our proof of publication.

Public Portion:

No public present

Bill requested that Sara send him the request tracker report. Google analytics,

Sara was informed the Request tracker is over 90% full. We need to increase our total that we are allowed to use an additional 500 would cost \$800 per year.

Sara advised that we average about 20 per month. Bill wanted Sara to ask what happens when we reach 100%?

Sara suggested that we should ask residents as to what they would like on the new design. Per bill we can broadcast on TV Station Webpage and Facebook. We should start working on this in March and April we should put something out to get ideas.
