OLD BUSINESS:

1. Senior lunches have been great. Everyone is happy, food quality is good and prepared well.
John Sheldon and Barb Sykora stated that they have recently been to other lunch programs (County) and they don't compare to our program.
2. The Senior Lounge is furnished and we have been using for game day and cards on Friday.

NEW BUSINESS:

1. Jean asked Matt if it is possible to use the Township bus and driver for day trips. He is looking into it..We (Sr. Club) will be willing to pay for drivers time.
2. On 01/15 the GC DA office will attend our Club meeting and give a presentation on fraud and scams targeting senior citizens.
3. Matt asked if we have any suggestions on increasing attendance at the annual Christmas party given by the Recreation Commission. One thing we pointed out is that the Party is for Franklin residents only. Our club members are from all around, not just FT. We had quite a few members express they would have loved to attend. Matt will talk to the Rec Commission to see if this rule can change to include all members of the Sr Club. We,(Sr Club) ,will also offer to assist the Rec Commission in their future events if they wish.

Bill motioned to close the meeting, Jean approved, Barb 2nd motion.

Next meeting is 02/12/25, 10 am.

Respectfully submitted,

Kathy
