Open Public Meetings Act Statement:  
Pursuant to the Open Public Meetings Act, adequate notice of this meeting was forwarded to the official Township newspapers, posted on the bulletin board and Township Website on January 2, 2020.

Bill List: There is no list for this meeting.

Slay Nation fishing tournament was discussed. There was no issue with them using the beach.

Engineer: Ed D’Armiento from CME discussed the preliminary study for certain lots. The landfill proposal was discussed. This is a continuation of the requirements from DEP for monitoring. Four quarterly samples have been taken in the past. Mr. D’Armiento and Mr. Snodgrass will check on the venting system. The railroad crossing letter was distributed from CME. The funding has been cut and the Township is being asked to maintain the signage and striping. West and Grubb is a County Road. Mr. Snodgrass explained that Grubb Road is a County piece on that side. The Engineer will look into it. Four intersections were discussed. Mr. Salvatore said that these roads are County and their responsibility. The bond release was discussed and there will be more correspondence from Mr. Winkowski. The water meters were discussed. The quote is $29,000. The DEP is pushing to get this done. Mr. D’Armiento asked that enclosures be made in house. Jester Waterworks was the only quote received. Mr. Deegan said that due to the temporary budget he would like to push it off for three months.
