

**Franklin Township
Senior Advisory Board Meeting
03/12/25**

Meeting called to order by Bill Morris.

Pledge of Allegiance

Attendance:

Bill Morris, Debbie Caruso, John Shelton, Kathy Wargo, Shirley Simpkins, Jean Thompson, Jim Rohrer, Barbara Sykora and liaison Matt Finley.

No Secy report since the meeting was canceled last month.

OLD BUSINESS:

1. **Senator Paul Moriarty was the guest speaker at our last club meeting. His office has been extremely helpful to our Seniors with matters concerning tax rebates and senior benefits that are available for them.**
2. **Barbara Sykora reached out to the recreation commission about the Sr Club members lending a helping hand at the rec commissions events. The commission will discuss at their next meeting and let us know if they need help.**

NEW BUSINESS:

1. **On March 27 the Sr Club will be sponsoring a Name That (oldies) Tune bingo. More than 50 people have already signed up to attend. We will be serving pizza and asking for donations of desserts, along with coffee, tea and water. Five dollars for a fun evening..**

We will also have a small basket auction and 50/50 to raise a little money for future activities.

2. A weekly bridge game will be played on Thursdays in the senior lounge.
3. Art classes with Sara have been a huge success with 15 to 20 people at each class. Classes will be held the second Monday of each month at 1 pm, after bingo. We have asked Bill if he could put it on the Township channel so that any senior who would like to join can take advantage of free art lessons and a fun social activity.

The meeting was adjourned by Bill Morris and motion was approved by John and second by Jim.

Next meeting will be Wednesday, April 9 at 10 AM.

Respectfully submitted by

Kathy Wargo
