Flag Salute

Meeting was called to order by Bill Morris at 7:01

Sara made motion to approve March Minutes, 2nd by Isaac

Bill advised the township now has station manager, Theresa Morris

Bill questioned Sara, does she have stats. Zoning 16 Views, Planning, only put zoning if they have something on the agenda. Twp committee 27 views.

Bill questioned Sara on job application, Civic Plus is not cooperation with us?

Sara has no issues with anything else on Twp Website, only with job application, she could not find how to get into the column where the application was, she eventually linked it in the job description and it works.

We must call Civic Plus to be able to have the PDF available on Twp website. Nathan had a tab that Sara did not have that enables him to provide.

Sara was going to create the Facebook page, she signed onto Facebook.com and her personal page came up.

She wants to go on someone else's computer so they do not recognize her so that she can create a new account. Once the account is set up in the building you can sign in from anywhere.

Isaac questioned if Sara if she signed on through the google account, because google will sync information.

Bill will resend the password for community access.

Sara will make Isaac Trout the Administrator. Bill suggested that we sign in as Community.

Sara will find out if we need an administrator, so that anyone can go in and edit or add.

Sara will work on Facebook next week during her spring break.

Bill questioned how are we doing with the Twitter account. Sara advised nothing on Twitter as of yet.

Bill received quote for weather on station, there are other option that we tried in the beginning but did not go over well.

Bill videoed the Easter Egg Hunt. There were over 200 kids

Bill is working on a script to go with the Easter Egg Hunt video before he post on Channel 9

Bill will try to go to the golf outing for Al Batten, at White Oaks; The Al Batten Memorial Golf Tournament. This will be an annual event. April 30th Sara suggested asking Amanda to video

Dave questioned Bill, if he provides a slide can Bill put on Channel 9, Bill answered yes. Dave found all the stuff from NJ environmental on recycling. He will send to Bill so that we can post on Channel 9.

Bill has been surfing public information, there is station in Vermont, this is the link to submit your candidate profile. Bill will email the FCC and see if we would be doing everything legally. He wants to check with our solicitor and see if he says it is within the guidelines. He wants an interpretation before he goes to the Township Committee

If we are allowed to do it do we need a percentage or who wants to do it. Let's say for instance the two (2) Democrats want to do it but the other party does not are we viewed as being by partisan

If we get ok Bill will send certified mail inviting them, so he will leave it up to candidate.

Sara feels that it would be good to have faces for out township residents. Bill advised that this is a good time because there are no incumbents. Bill will advise what the FCC says.

Sara feels that the Calendar is awkward. Bill feels that we have to compare different municipalities, he liked Washington Twp but did not like Wildwood.

Bill is requesting a report from request tracker, are they being responded to. Sara will check

Bill will forward the agenda for the Planning Board to Sara

Sara will question civic plus on how to download everything.

Dave advised that Clayton has forms online but you cannot download to fill out. They would have to print and fill out.

Bill suggested making a blank form so that the person filling it out can change to adobe and person can fill out and send in.

Dave doesn't know if they would want all forms online due to the township sometimes wants to see them person.

Isaac had no new news

Motion to close meeting Sara made motion, 2nd by Isaac
