Fun was had by our Seniors and the fundraising committee realized a nice sum to add to our activities fund. About \$2000.00.

2. The Township bus schedule has been posted to the Senior Facebook page and should go on the FTWP web site too.
3. Newfield Terrace food pantry may be able to deliver to the Community CTR some time in June.

**New Business:**

1. Once the library reopens we will look into using the Library to help educate interested Seniors in computer use for simple tasks like looking up SS info and filling out forms, etc.
  2. Once Newfield Terrace food pantry is up and running we can also see if we can coordinate for the FTWP bus to take Seniors there to "shop".
  3. We created a sub committee to work on a brochure promoting Senior services in our community. Appointed were Cindy, Jean, Kathy and Debbie. We will meet after lunch one day next week or so.
