Bill is creating a You-Tube channel for meetings to be viewed. Current meetings on the station server will be downloaded so place on the channel. He hope to have it completed in 2 montghs

Sara advised that she needs the Township password information for Facebook; Bill suggested that we abandon the current Facebook page and start a new one using community access email

Tina questioned if Sara installed Business Suite she could have all her pages on one app and she would not have to go on Facebook to edit.

Sara questioned the process starting another Facebook page; Bill suggested that we start working on creating a new Facebook page, but post on the current page that we will abandon when the new one is up and running then so our followers can join as soon as we switch over.

Bill advised that Township Meetings are posted but does not post what meeting it is. All videos that have been done since the new server has been put in place have been posted. Bill wants to take all prior meetings and post to You-Tube.

Bill asked Issac to update us with anything going on with Unity Group; Isaac advised that he will update. Unity had a clean-up and it was successful. Isaac is working on a Block Party for the Unity Group, they will also be celebrating Pacific Islander and Asian Heritage.

Bill questioned Isaac if there are any slides of past community: Isaac will send what he has

Isaac advised that next week Unity Group will have business letterhead and flyers, he will send out in an email next Wednesday.

Isaac advised the following event for Unity:

Block Party – 7/10/21 (7/17/21 Rain Date) at Malaga Lake Park

Isaac stated that we will get together in name of Unity; we ask area businesses to participate in items to give away.

Isaac stated that this year we will allow vendors to come and sell their items. Our Halloween Party that we had last year with different contest was a success.

Sara advised that if she has everything by June 1st she can post on Channel 9.

Bill will be putting everything on Google Drive so Sara can take from there.

Tina suggested that we get a tent for the Block Party.

Isaac advised that he will send out packet, letterhead, sponsorships and flyers by next Wednesday.

Tina questioned if our schools could get involved with the Unity Block Party?

Isaac stated that there are Advisory Meetings; Schools are invited, if they choose to do so they can get involved.

Tina would like an email sent to the Boards of Education.

Isaac advised that at the Halloween Event Science Teachers could allow students to build contraptions for Halloween Throwing Contest; this would push students to engage in events.

Sara suggested that Horticultural Students at Delsea could grow the pumpkins for the Halloween Event. Delsea has a lot of clubs and activities that could interact with Unity Group in their events.

Isaac will copy Tina on email when he sends to Delsea Board of Education.

Isaac is under the presumption that some of the Board Members will be attending Unity Group Meeting. It would help a great deal if the leaders from our area schools were involved, it would give more community involvement.

Tina stated that she would love to see Delsea get involved with Unity Groups events.
