Old Business:

1. Bus trip to The Grand in Del., was a huge success. Big thank you to Lou Costello from WDWL Vineland for hosting the Seniors for the Doo Wop show on 6/11/22.
2. We are having a guest speaker at the July 20 Senior Club meeting. A representative from the Salvation Army will advise the Seniors on discounts and applications available for help in paying utility bills and other available benefits.
3. Jean, Kathy, Debbie and Cindy have drawn up a preliminary brochure for new membership for the Senior Club and lunches, listing benefits of joining. Cindy is working on putting it together with some photos. Hopefully we can find a way to efficiently distribute to all households in Franklin so that Seniors and their families know what is available for their loved ones.

New Business:

1. Jean and Jenn have made a plan for summertime Senior lunches. There will be 4 meals delivered by NutriServe and Friday will be either Pizza or order in from a local vendor.
2. We will have a BBQ on 6/6, hosted by Mayor Bruno. Debbie is heading the food committee for potluck salads and desserts, and the Mayor has graciously donated burgers and hot dogs for the festivities. Jean has a special entertainer lined up for the afternoon. Will be a great time for our Seniors.
3. In discussions about the transportation of the Seniors who need rides to the Center for lunch, club, and shopping days. If the bus is in need of repairs or updates, it should be reported by the bus driver to the township. If not handled then take it to the township committee.
