### Flag Salute

Meeting was called to order by Bill Morris at 7:00 pm

Bill advised that Channel 9 had tech issues on Comcast side, no issues on Fios side. It was completely a Comcast issue.

Dave Deegan advised that the Comcast technician that came out provided us with his direct phone number at Comcast. He also put his information on the equipment so that we do not have to wait so long before getting service.

Bill advised that no one complained on Facebook because everyone is on You-Tube now.

Bill Morris questioned Sara; did we receive any changes in Senior bus schedule, Sara advised that we have not as of yet.

Sara will send Franklin Twp Community Day Flyers to Bill.

Bill questioned who will cover Community Day; Sara will film K-9. Sara will be at the Republican tent first, then if someone needs an area filmed, she will do so on her phone. Sara suggested that it would be good if everyone arrived at 11:30 so that we can decide who films what.

Dave advised that Mark will be coming to set up tent and Dave Remmy, ROTC will also be taking video on his 35mm. We will also take a lot of pictures.

Dave questioned if we need a tri-pod? Bill and Sara suggested that he bring just in case.

Sara checked on the translation on Franklin Twp Website and it is available.

Sara questioned Civic Plus to see if we can do on an App.

Bill Morris made motion to adjourn meeting; 2<sup>nd</sup> by Sara
