Open Public Meetings Act Statement:
Pursuant to the Open Public Meetings Act, adequate notice of this meeting was forwarded to the official Township newspapers, posted on the bulletin board and Township Website on January 3, 2019.

Bill List: No Questions
Resolutions and Ordinances: No questions.

The parcel that was requested for purchasing is on the ROSI list. Mrs. Freijomil was asked to send a letter to the homeowner.

A resident has contacted the Township about puddling on Federal Avenue. Mayor Deegan said there was no water after a rain event recently. Work was done on it recently and the engineer can look at it if requested. Matthew Gemenden said he put material down using the hotbox and there is no issue now. Ms. Brent asked Mr. Gemenden to take a ride by tomorrow due to the rain today. A list of roads are being compiled to work on once the hotbox is fixed.

Mr. Gemenden said the hockey scoreboard was taken down and he said a machine may need to be rented to set the new scoreboard. Mayor Deegan said for Mr. Gemenden to let him know when it is needed because he may be able to get the equipment. Mr. Gemenden reminded residents to recycle properly in order to save money.

Mr. Hegart said Windows 10 updates have all been installed on the Administrative side. He said Tiffany Schemelley started working 4-7 on the meeting nights. The final tax bills were sent on Friday. He thanked Stefanie Garofolo and Barbara Freijomil for help getting the bills out. Taxes are due by November 15. 90 properties from 2018 were on the tax sale list but it is down to 70. Mr. Hegarty said the golf course is still showing up on the tax rolls which makes the percentage look bad.
