

**RESOLUTION  
TOWNSHIP OF FRANKLIN  
COUNTY OF GLOUCESTER**

**R-33-15**

**AUTHORIZING THE MAYOR AND/OR HIS DESIGNEE TO SIGN AN INCIDENTAL  
MODIFICATIONS REQUEST FOR THE INTERSECTION IMPROVEMENTS AT  
GRANT AVENUE AND FRIES MILL ROAD**

**WHEREAS** Previously Adams, Rehmann & Heggan Associates, Inc. , Township engineer for Franklin Township has submitted a proposal for inspections, testing and preparing the Incidental Modifications Request and assisting in obtaining approvals from the NJDOT of the allocated amount for road improvements, and for the NJDOT grant award for Grant Avenue.

**WHEREAS** as the work was proceeding, it was mutually agreed between Public Works and ARH that the slope issue may be eliminated by adding fill material along the Grant Avenue shoulders, thus eliminating the need for guiderail which had originally part of the project; and

**WHEREAS** the Township of Franklin and ARH have further agreed that funds that had been intended for installation of the guardrail would be appropriately expended for repairs to the intersection of Grant Avenue and Fries Mill Road to address some possible icing conditions in regard to the 2013 Road Reconstruction project and for the State grant award for Grant Avenue; and

**NOW THEREFORE BE IT RESOLVED THAT** the governing body of Franklin Township hereby authorizes the Mayor and or his designee to sign an Incidental Modifications Request for work to repair the intersection of Grant Avenue and Fries Mill Road for the 2013 road program and NJ DOT grant award for Grant Avenue.

**ADOPTED** at a meeting of the Township Committee of the Township of Franklin held on January 13, 2015.

ATTEST:

TOWNSHIP OF FRANKLIN
